

NOTICE OF REA APPLICATION AND NOTICE OF EBR POSTING

By Nanticoke Solar LP for the Nanticoke Solar Project

Project Name: Nanticoke Solar Project

Project Location: The Project involves the design, construction and operation of an approximately 44 MW Solar Electricity Project in Haldimand County. The site is located south of Rainham Road, east of Nanticoke Road and bounded to the south by Lake Erie. Dated at Haldimand County this the 19 of July 2017.

Nanticoke Solar LP is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval (REA) is required. The distribution of this notice as well as the project itself is subject to the provisions of the *Environmental Protection Act* (ACT) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice is being distributed in accordance with subsections 15.2 (1) and (2) of the Regulation after an application for a renewable energy approval has been submitted and assessed for completeness by the Ministry of the Environment and Climate Change (MOECC), and has been posted on the EBR registry for public review (posting number 013-1104).

Project Description and Documents for Public Inspection:

Pursuant to the Act and Regulation, the facility, in respect of which this Project is to be engaged in, is a Class 3 alternating current (MW^{AC}) solar electricity generation facility. If approved, this facility would have an approximate name plate capacity of 44 MW. The project location is described in the map below. The final REA reports, prepared as part of the submission of a renewable energy application to the MOECC for this project have now been posted on the proponent's website: www.nanticokesolar.com. They provide information on the proposed Project, including location, components, activities, and potential negative environmental effects.

Environmental Bill of Rights Registry Posting:

A proposal for a REA in respect of the Nanticoke Solar Project has been posted on the EBR Registry at www.ebr.gov.on.ca (as referred to in section 5 of the *Environmental Bill of Rights*, 1993). The posting number is 013-1104. Comments in respect of the proposal may be submitted to the Director.

The public has a **45-day review period** and must submit comments before the end of the day on September 2, 2017.
